

April, 2017

Dear Neighbor:

On behalf of the Salesmanship Club and the kids and families we serve, thank you for your continued support of the AT&T Byron Nelson. Without valuable supporters like you, we would not be able to host such a great Championship; and more importantly, we would not have the opportunity to make a difference in the lives of the kids and families in our community. In 2016, we provided services to more than 6,000 kids and families, and train more than 1,000 professionals to improve their work with kids. I hope you are excited about this year's Championship, and have made plans to join us during this annual rite of spring.

We hope that you agree that the tournament continues to improve every year and we hope that you see it as a true amenity to your neighborhood. If you have any questions or concerns, please contact Lori Jo Ball the association manager at 972-943-2855 or e-mail her at Lball@cmamanagement.com and she will ensure that your message gets to us.

We are again providing 4 tickets to each household at The Enclave at Windsor Ridge community and invite you to come join us May 15-21.

We are excited about this year's tournament and we plan to continue to provide "something for everybody" at the AT&T Byron Nelson, including the popular KidsZone, the Pavilion, the AT&T digital clubhouse, and, of course, a first-class professional golf competition played right here in Irving, at the TPC. After play, we will once again host musical performances on Friday and Saturday at the Pavilion. We sincerely hope you will be joining us at this year's event, and we appreciate all you do to allow us to achieve such great results for our charity, the Momentous Institute.

See you at the Championship!

Jon Drago
Tournament Director
