April 12, 2017

Enclave at Windsor Ridge Owners:

In preparation for the upcoming Byron Nelson Championship Golf Tournament, Enclave at Windsor Ridge Homeowners Association is scheduled for street sweeping on **Sunday, May 7, 2017.**

The street sweeper will enter the neighborhood starting at 9:00 a.m. and will be cleaning the streets for approximately three and half (3.5) hours.

Your cooperation is requested to have all vehicles off the streets during this time so they can perform a thorough street cleaning due to all the recent construction and rainfalls.
