

Owners, Builders, Contractors, and Landscape Firms

AT&T Byron Nelson Championship 2017

The Enclave at Windsor Ridge Homeowners Association would like to remind you that the Byron Nelson Golf Classic is approaching. The dates this year are from Monday, May 15th through Sunday, May 21st.

CONSTRUCTION:

Work on homes or noisy exterior work such as a new roof will not be allowed in The Enclave at Windsor Ridge on any day of the tournament. **This means that work crews, including subcontractors, on new homes will not be allowed through the guard gates from Wednesday, May 17th through Sunday May 21st.**

LANDSCAPERS:

You will not be allowed into The Enclave at Windsor Ridge on any days in which the Tournament is being played on the TPC Course. Specifically, these days will be Thursday, May 18th through Sunday, May 21st.

SAFETY AND APPEARANCE:

Please be sure to inspect your properties before the Tournament to make sure that they are clean and free from weeds and/or debris. Please make sure that your lots do not contain any dangerous materials or hazards, such as uncovered holes, as the spectators have been known to wander from the course and designated paths and on to vacant lots and lots with houses under construction. You may want to consider keeping any valuable equipment supervised during this period.

NOISE DURING TOURNAMENT PLAY:

We also request your assistance in keeping the noise levels to a minimum during Tournament play. There have been complaints in the past from players and tour officials about excessive construction and landscaping noise during tournament play.

Thank you very much for your assistance. Should you have any questions, please feel free to call Lori Jo Ball at 972-943-2855 or email: Lball@cmamanagement.com.
